## Hey...We Won An Award

All of us at Truitt Insurance & Bonding were thrilled to be chosen for a **2019 Top Tiger Award** from the Auburn University Harbert College of Business this spring. The Top Tiger Awards are presented to fast-growing companies led by Auburn alumni. We can't say how much we appreciate all of our clients, friends and others for supporting us over the years and for AU Harbert College of Business and Warren Averett for choosing us. Congrats to all the other companies that were a part of the event.

Ronald McDonald House Charities  
Alabama

We want to wish RMHCA a very happy 40th Birthday! Give them some money for a present to support the fantastic work that they do. RMHCA houses families from all over the state while their children are receiving medical care at Children's of Alabama. It is an outstanding mission.

## HANGIN' IT UP!

Long-time Team Truitt **Don Adams** has decided he's had enough of us. We are going to miss him. Super good guy. Said he needs more time for golf and going to funerals. We hope retirement is nothing but fun!

## JUNE 1<sup>st</sup>:

celebrating 36 years • april 26-28, 2019

Loved that we were able to sponsor one of our favorite events, the MCAC, again this year. Also, loved that our Brandon Baird quickly made his son's (Brooks) stroller into a rolling Truitt ad.

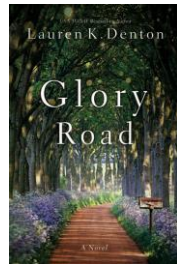

Congratulations to Samford University baseball coach **Casey Dunn** on being named Conference Coach of the Year! Well deserved for a really good guy.

Here is John Truitt enjoying the AIIA CONVENTION with Mike Zucco & Bill Sager at the new Gulf State Lodge this April.

**Congratulations**  
to the  
**Class of 2019**

We wish you all the best. Go out there, make good choices and do great things with your lives.

**GOOD SUMMER READ**

If you are looking for a good one this summer, check out **Lauren Denton's** *Glory Road*. This is the 3<sup>rd</sup> book from the Mobile native, Homewood resident and wife of Truitt powerhouse Matt Denton. Talented lady. Pick up a copy.

**GETTING BUZZED:**

A couple in Granada, Spain were having trouble sleeping each night due to an increasingly loud buzzing sound. Police, firefighters and local officials had been of no help. Finally, a beekeeper was called in, extracting over 80,000 bees from a giant hive that had formed in their wall.

**ICSC ReCon**

The folks at Drinkard Development did a super job with their dinner/party for Mr. Drinkard's 99<sup>th</sup> birthday during the recent ICSC ReCon show in Las Vegas this May. Marilyn Monroe herself showed up to serenade Mr. Drinkard with Happy Birthday. We really appreciate getting to be a part of a great evening. It was a blast.

**LET US QUOTE!**

We were really excited to be the title sponsor again for the 2<sup>nd</sup> Annual GIVE HOPE 5K held May 2<sup>nd</sup> at Hoover's Veterans Park. The nurses at Children's of Alabama organize this event to raise money for the hospital. We can't think of a much better thing to support. Our **Matt Denton** came in 1<sup>st</sup> in the 5K as well!

**WE HOPE YOU HAVE AN OUTSTANDING SUMMER!**

**Vince and Zach Truitt** got a kick out of this sign at **The Big Red Barn in Charleston, SC** over spring break. We tried to use it as a parenting moment. Not sure it took.
